SHUBHnx®

Over the years I have learned that what is important in a dress is the woman who is wearing it.

1002

SHUBHnx

1005

When you don't dress like everyone else, you don't have to think like everyone else.

Fashion

Fashion is not something that exists in dresses only. Fashion is in the sky, in the street. Fashion has to do with ideas, the way we live, what is happening.

SHUBHnx®

1001

I wear my sort of clothes to save me the trouble of deciding which clothes to wear.

SHUBHnx®

I love green because it affirms, designs, and styles.
A woman in a black dress is a pencil stroke.
