Royalty
Like the first rays of summer caught in a bloom. Bright, soft, rich and touched with silver dust.
The ocean blue ensemble from this invokes the image of a sun-kissed bride walking down the sandy aisle on a virgin beach. Radiant, lively and resplendent - perfect for the destination wedding of a lifetime.
We love this ensemble because it perfectly brings out the fusion of old world aesthetic and modern sophistication that makes this outfit so unique. The lehenga and blouse are monochrome,
while the woven silver threads adds just the right hint of glamour. Paired with a soft net dupatta
embellished with silver motifs and border, it's the perfect marriage of elegance and comfort.
