Portrait OF Life

You exhale beauty into the world around you, and breathe life into the staid, the mundane, the pale. As you smile, flowers begin to bloom and freshness seeps into existence, touching and transforming everything around you.

Canvas OF Creation

In the beginning there was beauty alone. The Lord dipped his paintbrush into this immense mass of bubbling colours and designed the world. And in the centre he created a woman, dressed in a dress so divine...that he hailed her as the ultimate creation. Some say when you dress in the sari pictured here, you look much like her.

All at once the season of winter passes, and we greet the onset of spring. With the chirping of birds and the fragrance of flowers, with fruits hanging from every tree.

Designed FOR Spring

The patterns, hues, shades and contours at work here have been designed by the very masters of the land. Some say that the craftsman went mad and did not wish to part with his magnum opus. When asked why, he said- 'my greatest creation needs to be worn only by angels.' Today, this garment, made for angelic use can surely be yours forever.
