A ballad *of ancient grace*

Many years pass until he remembers you, in your sari crafted out of mirth and happiness. And these reflections cause him to step, to ponder, to reflect and ultimately to rejoice. Your sari is magic. It is perfection, it opens the floodgates of memories waiting to envelop him in absolute glee. And at the same time he despairs, because the desire to see you is endless and boundless.

Songs of divinity

1003

In the sea of the mundane, you stand alone- a paragon of life in an otherwise everyday world. A vision of you, clad in our marvellous creations tells the story of an island surrounded by the vast and jealous oceans, ever trying to chip at your beauty...but failing everytime. You stand unimpeded, untouched and unblemished.

Life *evolves from sand*
