Songs of divinity

They surround her and look upon her in awe, as if she's not mortal but a miracle. Her tresses enchant and her dresses enamor. And they sing her song, so that the ages to come too will sing of her beauty.

The glory of dusk

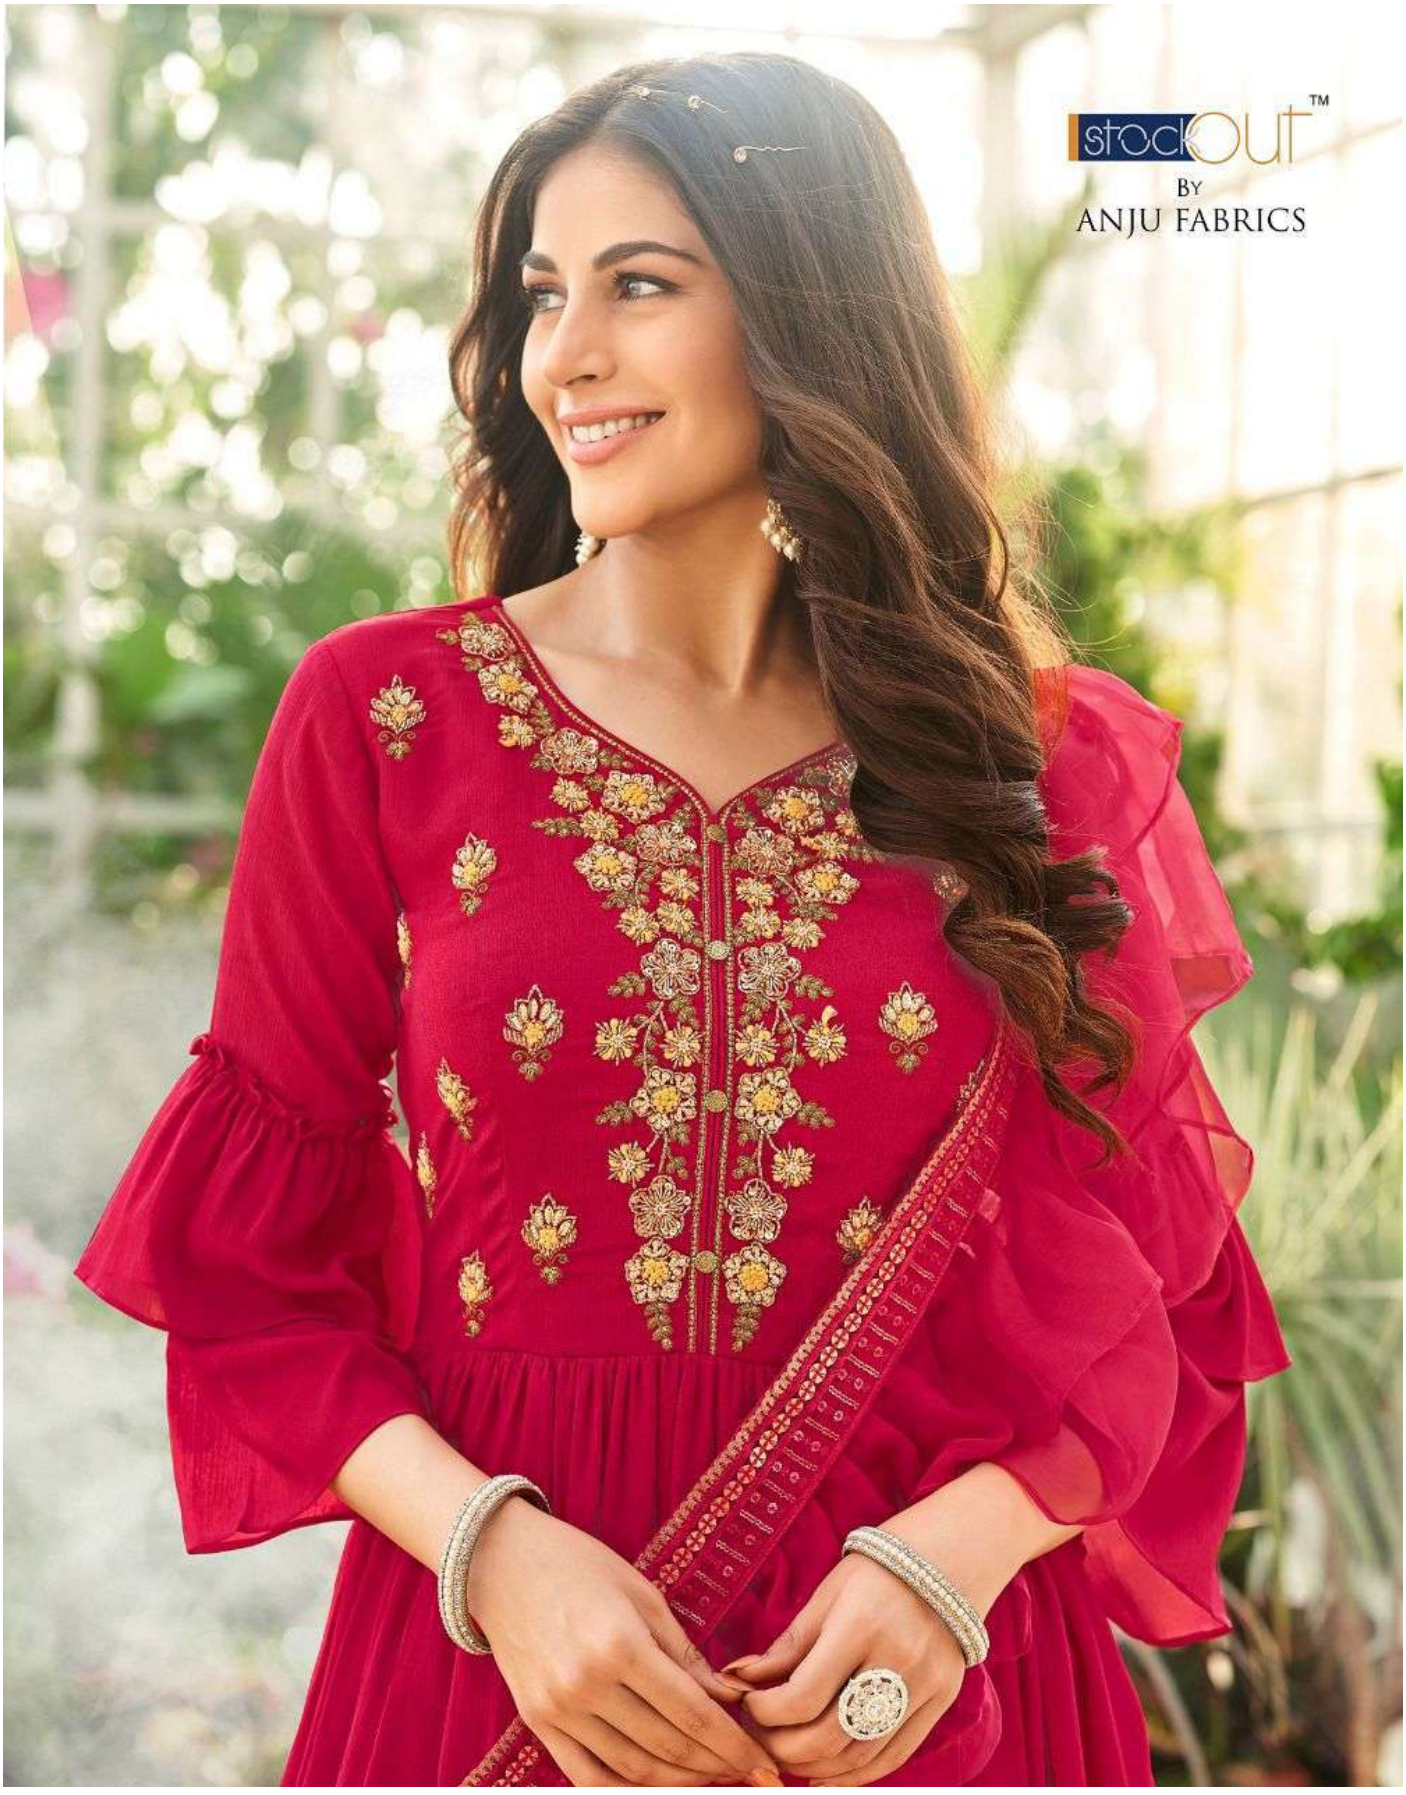

When the world is weary and on the verge of retiring, is when she comes out to the sands. The magnificent colors of her dresses drive away every bit of langor from weary hearts. They come as servants, and leave as richer than ever before with this blessed experience!

They are enamored, they're captivated...but more importantly, they are in love.

Colors from a distant land

The colors she wears in that faraway desert land, bring a new life into the bleak landscape. Her hues are concocted with a formula no longer at the behest of man. Her hues signify life in its grandiose splendor.
