Dazzling patterns

Some say they are not patterns. They're messages from a time when the world was younger and more beautiful. They've been carved into the exquisite garments of these classy maidens, for only they can bring about this age again with their grace and style.

A reflection of purity

If grace was weighed in gold, theirs would be priceless. As they realize their own value, they smile from their innermost core. And that enhances their beauty a thousandfold. All those who behold these nymphs in their splendor, clad in immaculate salwars bow their heads in reverence.

Unblemished beauty

As the ages pass, no kingdoms crumble and new ones rise from the ashes of the glorious kingdoms that were. The sentiments and virtues of timeless beauty, grace, love, and warmth are also dressed in garments which never fade with time, with trends, with fads.
