Serene Grace

01

A picture of you brings comfort. A sight of you brings solace. A memory of you brings bliss. Your saris and you are worthy companions, united in alleviating the pain and the sorrow of the world from the sorrow and the misery which possesses it. From your serene grace, love is born and from your soul, it spreads across the world

In the sea of the mundane, you stand alone a paragon of life in an otherwise everyday world. A vision of you clad in an marvellous creations, will be the story of an island investigated by the rest and nothing seems, ever happy to stay as yours lovely, but stay awhile. The stage prepared for unexpected and unplanned.
