LADY LEELA

She stands in a land known for its culture, its heritage, its beauty and its untold riches. And yet, with her beauty, her charm and the grandeur of her attire, she outshines the magnificence of the land around her. Clad in majestic blue, she is freshness in the stark desert landscape...an image to cherish

She's regal. She's majestic. When she walks, she walks with the pride of an Empress. But she's in with the times, at par with the latest style statements. She's the New Age Princess, and she's here to rule the world of today!
