want to express by the way you dress and the way to live."

Fashion can do a lot

"I think fashion can do a lot. Fashion is very popular,
so it can help broadcast a message and reach a new generation."

D.NO:955-001

Reflected
"Style is the only thing you can't buy. It's not in a shopping bag,
a label, or a price tag. It's something reflected
from our soul to the outside world—an emotion."

Clothes

"You gotta have style. It helps you get down the stairs. It helps you get up in the morning. It's a way of life. Without it, you're nobody. I'm not talking about lots of clothes."

Happening

"Fashion is not something that exists in dresses only.
Fashion is in the sky, in the street. Fashion has to do with ideas, the way we live, what is happening."

Boldness
"Don't be into trends. Don't make fashion own you,
but you decide what you are, what you

Define it

"What's my style is not your style, and I don't see how you can define it.
It's something that expresses who you are in your own way."
