sangam
Cotton is obtained from plants which help to make cotton sarees. This material is very comfortable in all the weathers specially summers. Cotton sarees lends stunning and elegant look to all women. It symbolizes, contrast elegance and style. These are the everyday staple sarees of the working class of India. They are popular in all parts of India and worn from North to South, East to West as a daily casual wear.

In India, the weather is very hot and humid. They are the best dress
for the women here because of its open-ended design

Great
VARIETY
It displays great variety that can be worn everywhere. Instead of wearing western dresses that fits the body,
cotton saree are the best option. For summers they are very skin friendly being airy and light
