VARDAN
DESIGNER

Fashion is about dressing according to what's fashionable. Style is more about being yourself.

BEAUTY
WINDS

Sensible colors, excellent designs and romantic moods gives perfect combination of sense and sensibility.

The true essence of fashion is being able to reinvent yourself with what you have.

Fashion is not something that exists in dresses only. Fashion is in the sky, in the street, fashion has to do with ideas, the way we live, what is happening.
