STYLE MEETS ATTITUDE

OUT OF THE ORDINARY

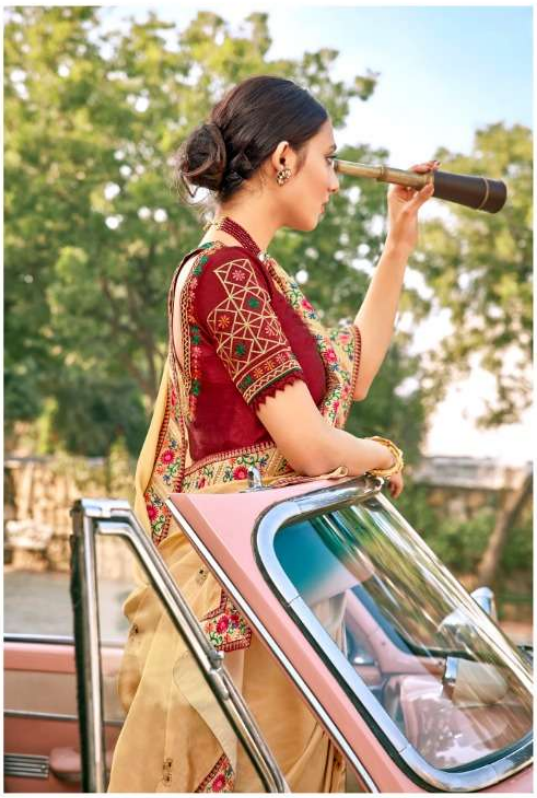

FOCUS ON THE WOMAN

... a history of people. During the past centuries, it was the couturiers and designers that laid the foundations of the modern fashion industry we know today. The liberation of women from constant confinement, the creation of ready-to-wear clothing, logos, licensing, window displays, lifestyle brands, fashion shows, marketing and even protection of intellectual property rights, are each a direct result of the ingenuity, bravery and creative genius of individuals who were in their lifetimes stylists and societal visionaries.
