Everything about her is mesmerizing. Her smile and laugh can stop
you dead in your tracks, and her eyes seem to light up the
world when they smile. Everything about her makes perfect.
She has the ability to make anyone forget how to breathe.
She may share stomach sickness, headaches, inability to think,
weakness of joints/bones - making it
hard to stand up straights near her.

Beauty is something that few understand and fewer possess.
You are as more than one it, it is felt within you.
It is the expression of your soul in the light.
When you see something you find truly beautiful it is like
the feeling of being in love. Inexplicable, strong, and pure

On the walls of the word beautifulstood as angel is the form of flesh

Extraordinarily gleaming, but not necessarily visually attractive.
Unconventional beauty is something that you can't fully understand,
but you still think that person is wonderful.
Being rich does not make a person beautiful."

Sampann nx

Something that the human race has forgotten. Beautiful is often used synonymously with hot or sexy.
This is not the case. No body fat and unhumanly large breast does no make a girl beautiful.
Beauty is a pure, non-sexual thing. It comes from the right combination of personality,
confidence, and (of course) physical attraction.
